2025 Bellingham Bells Internship Program

The Bellingham Bells are pleased to offer internships to college enrolled students who are eligible to receive credit for their work with the Bells. The Bells internship program combines hands-on experience with a wide range of speakers and field immersion experiences to help students experience multiple aspects of sports business and learn more about what it takes to become a professional within the industry.

The Bellingham Bells are currently accepting applications for:

Summer 2025 (May 28 – August 15, 2025)

Baseball Operations Intern

What You Need to Know:

- The internship positions are paid (\$20-21/hour). Students can also subsequently take this internship for academic credit if qualified to do so.
- **Internship Program:** This internship is part-time, 20-25 hours a week, starting April 2025 through August 15th, 2025. Intern must be available for all Bells home games (June-August). Additionally, interns will be required to be in attendance for 5-7 additional events including an educational field trip, internship seminars and Bellingham Bells Media Day. All internships are intended to be primarily ON SITE, limited remote work available.
- Applications will be reviewed as received. NO applications will be accepted after November 30, 2024.
- To apply, please follow the specific instructions listed in the internship description of the position you are applying for.

BASEBALL OPERATIONS INTERN (SUMMER 2025)

The baseball operations intern will support the coaching staff through the tracking, analysis & presentation of data that can aid scouting and game decisions.

RESPONSIBILITIES MAY INCLUDE, BUT WILL NOT BE LIMITED TO:

- Set up and ensure all analytics software programs are functioning prior to each home game. This will include, but is not limited to setting up video cameras, testing Trackman sensor and ensuring internet connection is reliable.
- Use Trackman to track in-game data (types of pitches) and ensure all information loaded into Trackman is accurate. Download Trackman reports at end of each evening and provide to coaching staff.
- Use Synergy video to capture in-game footage for all home games. Upload video nightly and ensure all video is properly loaded into the Synergy platform.
- Work with coaching staff to provide scouting reports, key metrics and other data per their request
- Manage teams' Pointstreak, updating home roster and headshots frequently
- Additionally, this position will support baseball operations efforts by helping with lineups, rosters, and other duties as assigned.

MINIMUM REQUIREMENTS INCLUDE:

- Available for all Bellingham Bells home games during summer 2025 (full schedule at bellingshambells.com).
- Basic understanding of baseball analytics including specific knowledge on Trackman and Synergy
- Above average baseball knowledge and ability to chart pitches
- Ability to analyze data and make general conclusions/suggestions
- Manage scoring software for Pixellot Video Stream during every home game
- Collect lineups in dugouts prior to each game
- Assist scoring in collecting relevant information (umpire names, etc).
- Coordinate with WCL vendors, including Trackman, Synergy and 6-4-3 charts.

COMPENSATION:

- This internship is paid (\$20-\$21 per hour) and can also be taken for college credit if intern is eligible through an accredited university.

START DATE: May 28, 2025

END DATE: August 15, 2025

HOURS: 3:00 p.m.-10:00 p.m. (earlier hours on day games) for all 32 home games.

APPLICATION PROCEDURE: Send resume and cover letter to hayley@bellingshambells.com with the headline "Baseball Operations Intern Application." Applications will be reviewed as received. No applications will be accepted after **November 30, 2024.**
